Donation Drive

Pets & Pals would like to thank Mrs. Salgado and her class at McParland Elementary for all their hard work in organizing a donation drive for our shelter! These wonderful students were able to donate 37 blankets to keep our animals comfy and warm at night. As a non-profit shelter, we rely on the generosity of our community. These kids have gone above and beyond to help their local animals in need. Way to go McParland!

This little one was found running on the

they were brought in, Cayenne had cherry eye and a need for palate surgery. The shelter was able to take care of her surgeries and now we are hoping to find her a great home, A big thank you to the talented vets at Venetian Pet Hospital for their time and for a discount to the shelter. Cayenne's sister was adopted but at the time of this newsletter, Cayenne is still in need of a new home. If you are interested, please apply below. If you would like to donate to help with her surgical expenses, we would welcome that as well.

freeway--yikes!! A kind person was able to rescue her and bring her here to us. She is a funny, scruffy pup who has a very interesting look. She is very sweet and really needs someone to give her a chance so she can blossom in a home. She weighs 15 pounds and is about 3 to 4 years of age. If you or someone you know is interested in Ms. Frizzle, please spread the word.
