

Changing it Up!

Fresh New Website

As some of you have noticed, we have made a major switch in our database and website. This has really streamlined our process and frees the staff up to increase our productivity. We have been regularly posting on social media to get our pups exposure and increase their chance of adoption. Please give it a look and pass the word. Make sure to follow us on Facebook and Instagram for regular updates.

Adoption Slow-Down

We have seen a dramatic decline in our large dogs being adopted. Likely due to the economic slow down and the cost of everything going up. Follow the adventures of Cypress on our social media sites to see if we can get this great girl a home. She has been with us for over 700 days! Way too long. Let's get her in a home like all her puppies did.
